About the Area of Study

The Associate in General Studies degree is an appropriate degree for students who have taken or plan to take courses in diverse areas of the college without designating a major area of study. The Associate in General Studies meets all general education requirements at Lake Michigan College. Please work with an academic advisor as you plan your program.

Transfer Opportunities

The Associate in General Studies degree can be customized to meet MACRAO and other transfer requirements. If you have selected the four-year college or university to which you plan to transfer, you should consult with an academic advisor to develop an individualized program that will be accepted by your transfer school.
