

# Pharmacy (Pre)

**Associate in Science Degree - TRANSFER PROGRAM** Program Code 087

**Advisor:** Dr. Bal Barot, (269) 927-8754, barot@lakemichigancollege.edu

## Sample Transfer Program

The following is a sample college transfer program. **It is essential that you work with an academic advisor to develop an individualized program that meets the specific requirements of the college you plan to attend.**

It is important to begin the science and math sequence as soon as possible to efficiently complete the coursework. Be sure to determine readiness for the math and science courses as many students need to begin with lower level math and science coursework to successfully complete the required courses.

## Transfer Resources

If you are planning to transfer to a four-year college or university, you should become familiar with your chosen school's requirements. See your Academic Advisor for assistance in developing your Student Education Plan or visit [www.lakemichigancollege.edu/transfer](http://www.lakemichigancollege.edu/transfer)

## About the Area of Study

You may begin the Pre-Pharmacy program at Lake Michigan College by completing a two-year sequence of courses and transferring credits to a four-year school. You should become familiar with the admission requirements for your chosen four-year college or university and adjust your program accordingly with the assistance of the Pre-Pharmacy advisor. **There is a 61-credit degree requirement needed for graduation.**
