Steps to Apply for Summer Financial Aid at LMC

1. Have a valid and complete 2017-18 FAFSA on file with the Financial Aid Office.
2. Complete a **Summer Aid Request**; the form is available at the Financial Aid Office at students' request or on our **Financial Aid Forms and Documents** section on our website.
3. All students must be enrolled at least half-time per federal guidelines in order to receive loans (i.e., at least 6-credit hours for undergraduates)

General information:

The types of summer aid that will be awarded in response to this application are generally limited to federal direct subsidized and unsubsidized loans, and, in some cases, Federal Pell Grants. Not all students qualify. For example, if students have already reached their annual or aggregate limits for federal direct subsidized and unsubsidized loans, no additional funding of this type can be awarded. Students must also be enrolled at least half-time in the summer to qualify for these loans.

****NEW** Additional Pell Grant Eligibility**

Students are eligible for additional Pell Grant Eligibility if they meet **ALL** of the following criteria: **(1)** Their full Pell grant award disbursed during the 2017-2018 academic year; **(2)** They are enrolled at least half-time during the summer session(s); **(3)** They have **not** met their Pell Grant Lifetime Eligibility Used (LEU).

Information on Pell Grant (LEU) is available at
