Section 230 of PA 103 of 2023, the Fiscal Year 2024 community colleges appropriations bill contains the qualifications that must be met to receive the portion of each college's performance funding appropriation earmarked for local strategic value. The statute lists 15 separate best practices for community colleges to achieve. Institutions must satisfy 4 of 5 best practices in each of 3 different categories.

To demonstrate eligibility for this funding, Section 230 requires that each community college certifies compliance to the State Budget Office by means of a board of trustees resolution certifying that the college has met 4 of 5 best practices in each category. Further, each board resolution "shall provide specifics as to how the community college meets each best practice measure within each category."
