

2017-18 Dependent Student Verification Form

You have been selected for a process called verification. This requires the LMC Financial Aid Office to collect certain documentation from you and your parents to determine if your FAFSA was completed correctly. If any of the questions were answered on your FAFSA incorrectly, we will have to make those corrections on your FAFSA which can slow the processing time of your aid. If you were required to use your parent(s) information on the FAFSA, you are required to use this form, regardless of your living situation. Make sure you complete all sections and have all appropriate signatures.

Step 1: Student Information

Step 3: Student 2015 Income Information (check one and provide documents)

I have used the IRS Data Retrieval Tool on the FAFSA to transfer my 2015 IRS income information into my FAFSA.

I did not use the IRS Data Retrieval Tool on the FAFSA and have attached a 2015 IRS tax return transcript or a signed copy of my 2015 income tax return. To request a copy of your transcript, you can go to www.irs.gov/transcript. Be sure to request the "IRS Tax Return Transcript". If you cannot use the online process you can call the IRS at 1-800-908-9946 and request one be mailed or faxed to you.

I was not required to file a 2015 Federal Tax Return. I have listed the amount of income in the grid below and have attached all of my W-2 forms. If you do not have your W-2 forms, you can download a Wage & Earnings Statement from the IRS website. If you did not have any earnings—enter your name and enter 0 under "Amount Earned."

Only complete this grid if student and/or parent DID NOT complete a 2015 federal tax return

Student/Parent Name:	Source of Income (non-tax filers only):	Amount Earned in 2015

Please Note: for those who are married, but did not file their tax returns jointly, you are required to provide transcripts for both you and your spouse. IRS rules determine the filing status you should use. If it appears that you did not file with the correct filing status, you may be required to amend your tax returns before you can receive federal aid.

Step 4: Parent 2015 Income Information (check one and provide documents)
