

Special Circumstances Request Form – Dependent Student 2026-2027

Occasionally, unusual circumstances exist that may warrant reconsideration of financial aid eligibility. These special circumstances may be changes that have occurred in your family and/or household since you filed the 2026-2027 Free Application for Federal Student Aid (FAFSA). We have listed the circumstances that most commonly qualify a student to file a Special Circumstances request. Select as many circumstances as needed that fit your current situation and provide relevant documentation.

Special Circumstances could include, but are not limited to, the following:

- Unemployment or change in employment resulting in a significant decrease in annual income
- Divorce or separation of parents/legal guardians
- Death of a parent or parent’s spouse
- Unusually high medical expenses not covered by insurance

Special Circumstances would NOT include items like:

- High mortgage/car payments
- Credit Card debt

To Qualify for a Special Circumstances Review, you must:

- Write a letter explaining your unique situation in detail
- Complete all pages of this form
- Provide all requested documentation
- Choose one or more of the situations outlined on the following pages

If your circumstance(s) does NOT fit into one of the options, you may still file the Special Circumstances form. Please attach a letter explaining your situation as well as all relevant supporting documentation.

Financial Aid specialists will review your request based on the documentation submitted. Notification of the results will be sent to you via your LMC student profile. Please note: Filing this appeal does not guarantee additional financial aid. Some appeals may only result in the student receiving the maximum in subsidized loan eligibility and/or Pell grant eligibility. Please allow 3-4 weeks for processing.
