

SUMMER AID REQUEST – May – August 2022

To ensure consideration for summer financial aid, you must have completed your Free Application for Federal Student Aid (FAFSA) at <https://studentaid.gov/h/apply-for-aid/fafsa> by June 30, 2022.

- Summer aid is determined based on completing the **2021 – 2022 FAFSA**.
- You must check your **Wavelink** periodically to view your financial aid information and any new required documents.
- To be eligible for a student loan, TIP, or work study, you must be enrolled at least half-time — 6 or more credit hours.
- If you are not registered for your 14-week and first 7-week summer classes by May 13, 2022, the first time you do register for summer classes, that date will be your freeze date. If you are not registered for your 10-week summer classes by June 8, 2022, the first time you do register for summer classes, that date will be your freeze date. This means if you were awarded a Pell Grant, this will not increase for any additional classes you register for after this freeze date.
