

The Honors Program at Lake Michigan College

What is the Honors Program?

Lake Michigan College's Honors Program offers motivated, high-achieving students in all majors the chance to engage with other exceptional LMC students through an exclusive array of opportunities to go above and beyond in both their academic pursuits and their readiness for success at the next level (Honors Brochure 2016).

What are the Benefits to Joining the Honors Program?

- Strengthen your academic portfolio
- Show admissions representatives from other schools a higher level of commitment
- Focus on areas of study that most interest you
- Work more closely with instructors who are part of the program
- Be part of the Honors Colloquium – College visits, community service, practical job skills, and fun!
- Meet students who are just like you – who want to excel at what they do

Who are the Students in the Honors Program?

- Students who want more out of their education than just the basics
- Students who want to be challenged to go further, to learn more
- Students who want to develop their own leadership potential
- Students who want to be involved in public service/ volunteer activities
